

A colorful illustration for a poster. In the center, Santa Lucia, dressed in a white robe and veil, sits on a brown donkey. She holds a small golden star in her right hand and gestures with her left. A large wooden basket is suspended from the donkey's back, filled with various toys including teddy bears, a doll, and a clown. To the left, a man with a mustache, wearing a brown coat and a green scarf, leads the donkey. The background is a light blue sky filled with falling confetti, including stars, hearts, and small circular ornaments.
