

The map displays the PNP (Parco Naturale del Pado) area, highlighted in green with a diagonal hatching pattern. The area is situated in the Dolomites, with the town of Cortina at the top. Key geographical features include the Pado river, the Pado valley, and the Pado mountains. The map also shows the surrounding towns of Cortina, Cortina, and Cortina, and the Pado valley. The map is a topographic representation, showing the terrain and the PNP boundary.
